Dolphin Excursions

Personalized small group excursion and unbeatable hospitality guaranteed. Free roundtrip transportation from Waikiki hotels with lunch included.

Dolphins seen daily year round are Hawaiian white belly spinner dolphins. Other marine life seen includes Hawaiian green sea turtles, Malolo (flying fish), the great Laysan Albatross, as well as other migratory marine birds which nest on the west end of Oahu.

Snorkeling is part of every excursion (weather permitting). Snorkel some of the most pristine reefs found on the island which are teeming with marine life.

Spectacular photo opportunities. Our experienced staff will be more than happy to help you take that once in a lifetime photo while providing educational narration on the behaviors and biology of the spinner dolphins and humpback whales as well as other marine animals.
